13 **OPEN CONFERENCE**

No Agenda Items received by the due date

Guest Speakers were invited to address the audience.

Darcy Wade

Darcy, a Member of Stratford Pony Club, spoke about his journey from the PCV Tetrathlon introduction event in March 2015 through to being included on the Youth Olympic Games Development Squad for Modern Pentathlon. He was also selected on the Pony Club Australia Tetrathlon Team that toured Ireland in 2016. As well as training hard for all four Tetrathlon disciplines he also had to learn how to fence as this is the fifth Modern Pentathlon discipline. At 16 he had never been on a plane but in 182 months has been to Ireland, Japan, Czech Republic, Hungary and China.

Darcy's message to all pony club members – keep doing what you love, don't be afraid to try new things and run with it, make the most of opportunities as they become available – you'll never know if you don't try.

Tracy Hosier

Chair of the Pony Club Victoria National Championships Advisory Committee for the PCA National Championships Toowoomba and Manager of the Pony Club Australia Inter Pacific Team to USA June 2017. Tracy spoke of both her experiences wearing two hats.

First Hat – Western hat complete with Stars & stripes. The IPE is a wonderful opportunity for those selected. They met an amazing group of people who will be friends for life, saw and experienced many aspects of the country they were touring – Trip of a lifetime for all participants. Recommends all riders should work towards their B Certificates and nominate, the opportunity to go as a Team Official was very rewarding as well

Second Hat – Team Victoria. Tracy spoke of the wonderful time that the PCV Team had whilst in Toowoomba for the PCA national Championships. The National Championship Advisory Committee and the process of Team Selection and training ensured a great Team Vic spirit well before they arrived at the Toowoomba Show Grounds. Invited other members to embrace the PCA National Championships and welcomed anybody who would like to join the NC Advisory Sub Committee.

Tim Ling

PCA International Mounted Games Coach Canada 2017 and Organising Committee for the IMGE hosting by PCV in 2016.

Tim spoke of his family's Mounted Games journey which started with his 8-year-old son Alister taking up games at Pony Club. As Alister progressed through the ranks from Club, Zone, State to International representation through the IMGE so did the family involvement. Tim became involved as a steward and later a Coach and has just returned from the IMGE in Canada which was an amazing experience. Tim also helped organise the IMGE which was hosted in Victoria in November 2016.

Alister has continued his Mounted Games journey through Mounted Games Australia, which Tim helped set up, and has competed at World Championship level just having completed 6 months overseas competing and staying with his MG contacts which the Ling family reciprocate in Australia.

Tim's message – The Ling family has thoroughly enjoyed the journey and received more than they have put in. You can sit on the side lines and be a spectator or can get involved and make a difference.

Michelle Harper

Pony Club Australia Board Member – "Pony Club Pathways to the Future"

Michelle presented a series of slides depicting physical pathways that people had adapted to take an easier option. The questions posed to the audience in response to declining membership were

- We need to examine what our competitors do better than us and implement change in Pony Club

- We need to ask ourselves in every decision that we make are we encouraging young people to ride?
- We need to ask “how can we make this happen” rather than spending our time thinking of why it cannot happen
- We need to make it easier for our members to take the pony club pathway.
