Note for parents: Please give careful consideration to the following prior to nominating a sub-junior rider. The event is conducted over 7 very long days. The rider needs to be sufficiently mature to deal with managing a stabled horse, competing as a member of a team, the success or disappointment of their performance. They need to be independent, confident and competent in dealing with a large venue, preparing a horse for long haul travel and feel comfortable receiving instructions from team officials.

If you feel your rider is not quite ready, please consider using the next 2 years to prepare them for the next Nationals to be held in Victoria. They can compete at a Nationals competition right through to 25 years.

Applications for all disciplines should be forward to:
